

Amherst County High School

Hello Lancer Family,

I hope you all are doing well. My name is Lazarus Hamlett and I am the AP coordinator for the 2021-2022 school year. The reason I am writing to you today is to inform you about the AP testing this year. **Please remember that AP exams are optional** and all A.P. Exams will continue to be administered at Amherst County High School during the instructional school day. Students will be assigned to a quiet, non-disruptive classroom.

Included with this letter, I have enclosed two documents for your child. The first form is the A.P. fee cost form/test dates and the other is the A.P. fee waiver form. Please read both letters in their entirety. If you choose to have your child take an A.P. Exam checks will have to be made payable to Amherst County High School no later than Friday November 12th, 2021 at 2:00pm . After this deadline we will not accept any more AP forms or payment. Due to the pandemic last year, the college board did not charge for unused exams or student cancellation at the last minute. **This year there will be a \$40 late charge for these situations therefore, if you decide to cancel a test after the deadline we will not be providing refunds. Please make sure to have the discussion with your child and that they feel comfortable and confident about taking their respective exam for their class.**

I graciously thank you for your time. If you have any further questions, please do not hesitate to contact me by phone at 434-946-2898 or by email at lhamlett@amherst.k12.va.us

Thank you,

Lazarus Hamlett
AP Coordinator
