MEET THE PRESIDENT

My name is Michael Tock, President of Amherst Theatre. I've been doing theatre since the age of eleven, and it has been a huge passion of mine ever since. The fact that I get to be the president of this amazing group of people still feels like a dream to me. Theatre has made the past three years of my high school career some of the best of my life. Some of my previous roles include: Kenickie & Danny Hero in Grease, Doctor Merrick Found in The Amherst Inn, Ed the hyena in Lion King Jr, and many more. I plan on pursuing theatre after high school at CVCC and University of Mary Washington. Aside from acting, my hobbies include collecting Legos, sword fighting, and hanging out with my friends. Words cannot express how excited I am for the near future of Amherst theatre.

MEET THE VICE PRESIDENTS

Hey, everyone! My name is Eden Hunter and I am the Vice President for Amherst Theater. I have a deep love for this class and the people within it. I'll forever be rooted in the connections I've made and will carry the lessons I've learned both on and off the stage. Joining Amherst

Theatre was one of the best decisions I've made. I can't imagine never being a part of this awesome group of people. I've gotten to be a part of some super cool shows such as The Lion King, A Tolstoy Story, The Amherst Inn, and Asylum. I also got to be the Co-Choreographer for last year's spring musical Grease. I can't wait to perform in our

upcoming shows! Outside of theatre, I spend my time cheering, singing and dancing in Amherst, leading worship at my church, spending time with friends, and studying. After high school, my future plans consist of majoring in biology to hopefully one day become a physician.

Hi! My name is Symone Sexton and ever since I started theatre on a whim during my freshman year my life has changed so much in the most amazing ways.

Living through covid all the way to my Senior year has been a tough experience but the theatre was one thing that helped me through it all. I've learned many skills and made lifelong friends through this amazing journey. Having the opportunity to be in great productions such as Lion King Jr, The Amherst Inn, The Tolstoy Story, Asylum, and many more have broadened my horizons on Theatre. I even recently went on to be recognized for an acting award at VTA which I am very grateful for. To be a part of such an incredible group of people and to have such a hardworking teacher and director is a blessing. Theatre has morphed my life in the best way possible and I couldn't ask for anything better. In the future, I plan to incorporate theatre and my experiences with it as much as I can.
