

Family Newsletter

We made it to the Christmas Holiday break and we only have eight more shopping days left until the big day. I want to take a moment to wish each member of our school community a happy holiday season. I hope you are able to spend time with family and friends during the break.

The weather the past two days has not really cooperated with us. The freezing rain on Thursday and the black ice this morning have wreaked havoc on our ability to operate our schools safely. I know our students and families really wanted schools to be open the past two days. I did not want to close just before the holiday break but the safety of our students and staff took priority.

As we move into the holiday break, I encourage you to spend time doing the things you enjoy and you take advantage of your opportunities to spend time with loved ones. As I realized last year with the passing of my mother, none of us are guaranteed another day to spend with our family and friends.

I hope you all have a joyous holiday season and a prosperous New Year. I look forward to seeing the students return on January 3, 2023.

William
